

Join Sage City Live roundtable host: **Dave and Darlene Smith**

The Dave & Darlene Team is from Phase One Computing Services in sunny South Florida. Together they have been writing and training people how to write Sage Intelligence reports for nearly five years and were writing custom reports using SAP® Crystal Reports for many years before that (and still are today!). They have been supporting small businesses on accounting software for over 25 years and also provide consulting for small businesses in all aspects of their business activities. Recently, some of their business associates have dubbed Dave and Darlene “The Dynamic Duo of Report Writing.” In their free time, they enjoy traveling.

Solution roundtable **Sage Intelligence**

Getting from Aaaargh to Aaaahhh when it comes to creating adequate reports quickly and easily. Bring your questions and best practices to share at one of two simultaneously held roundtable discussions.
